Regulatory Notices

- All customers are required to pay a Competition Transition Charge as part of the charges above, including those who choose an electric service provider other than SDG&E.
- Power Charge Indifference Adjustment (PCIA) comprises the above market cost of the Utility's existing procurement portfolio and is calculated annually. This is a cost that is ultimately born by all customers. The PCIA bill line item ensures that customers pay their share of generation costs already contracted to serve them.
